Definition and Basic Structure

A letter with tear-off sample is a personalized or business correspondence that includes a section?often at the bottom or side?designed to be torn off by the recipient. This detachable part typically contains a sample of a product, a coupon, a response form, or contact information. The main letter serves as the primary communication message, while the tear-off portion acts as a call-to-action or a tangible takeaway.

Key Components:

- Tear-Off Sample: A perforated section designed for easy detachment, often containing:
- Product samples (e.g., fabric swatches, small product images)
- Coupons or discount codes

Historical Context and Evolution
